### Information:

Stillwater County Search and Rescue is thrilled to bring Brett Stoffel from ERI and Outdoor Safe (<https://outdoorsafe.com/>) to Columbus this fall to host the Basic Search and Rescue Skills Course. This course will begin in the classroom in Columbus, Montana on Friday, September 23, 2022. Attendees should be prepared to spend the night in the field on Saturday, September 24, 2022. Nearby lodging and camping facilities are available for Friday night.

To register you *must* be affiliated with a Search and Rescue team authorized by the local SAR jurisdiction.

To register, follow the link above and complete all required fields. You will receive a registration confirmation email within one week (7 days). *Your registration is not confirmed unless you receive the confirmation email. Do not make travel arrangements until your registration is confirmed.*

The registration confirmation email will include the plan of instruction, required equipment list, and local facility/venue information.

If you have any questions, please contact Stillwater County Sheriff's Office Chief Deputy / SAR Coordinator Skylar Steele by email, [ssteele@scsomt.org](mailto:ssteele@scsomt.org) or phone 406-290-4541.
